January 11, 2012

Today is the half-way mark for the 2011/12 school year. I trust your family had a great Christmas celebration and that you are filled with happy anticipation for the new year.

- I have attached some information regarding special events for the rest of the year. Please mark your calendar so that your child can participate. CCA is committed to creating an atmosphere that helps your child grow academically, socially and spiritually. As you look at the lists of events, I am sure you will see that each of these events are important. Most of the memories your child makes will involve more than the time they spend doing academics.
- Please note also that as I emailed earlier this morning, it is very important that all financial accounts be kept current. Cornerstone is an extension of you....we exist to help you with the complete education of your child. We do it on such a limited budget that we suffer if even one family falls behind on tuition and fees. We will be doing three fund raisers this Spring and your help with this is vital.
- We welcome to our school family Lia, Mayana, Grace, and Faith! They are joining us with Home School Connection! Pray with us that this will be a very positive thing for them.
- Report cards will be coming home shortly. Please feel free to call if you want to meet with your child's teacher.

Thank you for your confidence in allowing us to influence your child for Christ as we work hard on academics.

For His Glory,

Mrs. Wilson
